### **INTRODUCTION:**

Established in 1984 in the UK, Islamic Relief is an international NGO seeking to promote sustainable economic and social development by working with local communities through relief and development activities regardless of race, color and religion, and without expecting anything in return.

IR started operations in Kenya in 1993 on orphan's sponsorship programme through a local CBO in Mandera District, Northern Kenya. It opened its fully fledged office in March in 2006 at the height of drought in the Horn of Africa. Since then, IR has been providing humanitarian and development assistance to vulnerable communities. Over these years it has implemented various development and relief activities in Mandera. This has remarkably changed the lives of the vulnerable and disadvantaged communities. In January 2010, IRK extended its operation to Wajir County and in January 2012 expanded to Garissa and Dadaab, and in October 2017 opened a programme office in Kilifi County.

Islamic Relief Kenya focuses on resilience projects namely: Food Security and Livelihoods, Water Sanitation and Hygiene, Cash Transfer Programming, Orphans Support and Sponsorship, women Empowerment, Education and Peacebuilding.

## **INSTRUCTION TO BIDDERS**

Established in 1984 in the UK, Islamic Relief is an international NGO seeking to promote sustainable economic and social development by working with local communities through relief and development activities regardless of race, color and religion, and without expecting anything in return.

IR started operations in Kenya in 1993 on orphan's sponsorship programme through a local CBO in Mandera District, Northern Kenya. It opened its fully fledged office in March in 2006 at the height of drought in the Horn of Africa. Since then, IR has been providing humanitarian and development assistance to vulnerable communities. Over these years it has implemented various development and relief activities in Mandera. This has remarkably changed the lives of the vulnerable and disadvantaged communities. In January 2010, IRK extended its operation to Wajir County and in January 2012 expanded to Garissa and Dadaab, and in October 2017 opened a programme office in Kilifi County.

Islamic Relief Kenya focuses on resilience projects namely: Food Security and Livelihoods, Water Sanitation and Hygiene, Cash Transfer Programming, Orphans Support and Sponsorship, women Empowerment, Education and Peace-building.

In Mandera IRK is implementing a 24 months project ***“Integrated Community Support Project”*** aiming to empower the vulnerable communities in Mandera county through the provision of integrated Community Support interventions with components on education, livelihoods and WASH. The project will enhance access to inclusive and accessible education, improved alternative livelihood to the target households and increased availability of water for household use and food production.

The program activities are in line with the local government strategic plans including the Mandera CIDP 2018-22 & IR Kenya 2022 Business Plan, NDMA Plan. IRK intends to take deliberate steps to support Mandera communities in their journeys to self-reliance through capacity building of relevant ministries at the National, County and Sub-counties levels, and increased efforts to involve county department officials in the routine monitoring and supervision of education, Livelihood and WASH interventions. IRK will also provide adequate training for direct beneficiaries with the end goal of sustainable programming.

The projects seeks to empower the vulnerable communities in Mandera county through the provision of integrated interventions with components on education, WASH and Livelihood. The project seeks to enhance access to inclusive and accessible education, improved alternative Economic Empowerment to the target households and increased availability of water for household use and food production.

IRK is planning to undertake the rehabilitation of the Community water supply infrastructure at Sala in Lafey sub-county, Mandera County to enhance access to clean water to the target community.
