INSTRUCTION TO BIDDERS

Islamic Relief is an international aid and development charity, which aims to alleviate the suffering of the world's poorest people. It is an independent Non-Governmental Organization (NGO) founded in the UK in 1984. With an active presence in over 40 countries across the globe, we strive to make the world a better and fairer place for the three billion people still living in poverty. As well as responding to disasters and emergencies, Islamic Relief promotes sustainable economic and social development by working with local communities - regardless of race, religion, or gender.

At the international level, Islamic Relief Worldwide (IRW) has consultative status with the UN Economic and Social Council and is a signatory to the International Red Cross and Red Crescent Code of Conduct. IRW is committed to the Sustainable Development Goals (SDGs) through raising awareness of the issues that affect poor communities and through its work on the ground. Islamic Relief are one of only 13 charities that have fulfilled the criteria and have become members of the Disasters Emergency Committee and is certified by CHS.

IR started operations in Kenya in 1993 through a local CBO in Mandera District, Northern Kenya. It opened its fully-fledged office in March in 2006 at the height of drought in the Horn of Africa. Since then, it has been providing humanitarian and development assistance to vulnerable communities. Over the years IRK has remarkably changed the lives of vulnerable and disadvantaged communities.

Qurbani means sacrifice. Every year during the Islamic month of Dhul Hijjah, Muslims around the world slaughter an animal – a goat, sheep, cow or camel – in remembrance of the sacrifice that Prophet Ibrahim (A.S.) made out of his strong faith in Allah. Ibrahim (AS) showed a willingness to sacrifice his son Prophet Ismail (A.S.) but his son was replaced with a lamb by Allah. Allah was so pleased with Ibrahim's (A.S.) submission to Him that He made this demonstration of sacrifice and faith a permanent part of a Muslim's life. This event is mentioned in Quran - Surah As-Saffat (37:102). Hence, every year on the 10th of Dhul Hijjah, Muslims all over the world celebrate Eid Al Adha. On this day, Muslims slaughter a lamb, sheep, goat, or a camel to honour the sacrifice of Ibrahim (AS). Both Eid ul Fitr and Eid Al-Adha have great significance in Islam.

The Qurbani (Udhiya) Programme is implemented in the first three to four days of Eid al Adha, commencing from the tenth day of the month of Dhul Hijjah. It enables those who can afford to donate their qurbani to the poor and needy. The projects involve the distribution of fresh meat to the most vulnerable people, such as women, children, the elderly and persons with disabilities. Each meat pack is designed to consist of meat that is appropriate and acceptable for the dietary culture of the communities we serve.

Islamic Relief Kenya is currently focusing on four main thematic areas i.e. Empowering communities and changing lives, responding to Lifesaving and humanitarian emergencies. addressing global and local root causes of Poverty, humanitarian and climate Crisis as well as strengthening organizational capability to ensure organizational sustainability.
